Seeking Veterinary Technician Anesthetists

We are seeking Superstars with a smile ☺. We are a well-established, high quality, AAHA certified general and dental specialty multi-doctor hospital in Weston, FL (South Florida). We are also an AAHA accredited Dental specialty facility. Please visit our websites for more information. Our technicians play an integral role in providing excellent medical care in our client service driven practice. Candidates must possess skills in the following areas: venipuncture, catheter placement, pharmacy duties, in house lab/cytology, radiology and handling medical records, proper animal restraint, with additional experience in surgical assistance, maintaining & monitoring anesthetized patients. A caring and compassionate attitude is required of all members of our team. This is an outstanding opportunity to join a hospital with a fun loving, fast paced professional atmosphere. Benefits include paid vacation, continuing education, excellent pet benefits, health insurance, a retirement plan and much more. Experience with our fully integrated practice management system through Avimark is a plus. If you are interested in joining our team please respond with your resume.

Please Contact Paul Camilo the practice administrator if you are interested
