

Affiliated Veterinary Specialists, a BluePearl partner is hiring an exceptional Surgical Veterinary Technician in the Orange Park, FL location.

To apply click [HERE](#) – or send your resume to angela.mayne@bluepearlvet.com

Are you a skilled, knowledgeable and committed Veterinary Technician looking to take your career in Veterinary Medicine to the next level? Do you have strong social skills and passionate about becoming a part of a dynamic and rewarding team? If you have a minimum of two years of veterinary technical experience in the areas of anesthesia, radiography, IVC placement and surgical equipment, please check out this opportunity.

We are looking for a ***highly qualified*** veterinary nurse anesthetist that has at least 2 years' experience with multi-modal monitoring and assisting soft tissue and orthopedic surgeries.

Benefits of working with our highly skilled team:

- We have an anesthesiologist on site to help provide the highest quality patient care for our patients.
- We provide advanced anesthesia training on a regular basis for the nurse anesthetist.
- Our hospital is equipped with advanced technology such as platelet rich plasma, arthroscopy, CT, and MRI.

As a Veterinary Nurse Anesthetist, you will:

- Provide nursing care to stable patients according to hospital standards of care and core values.
- Ability to place peripheral intravenous catheter in cephalic vein.
- Perform physical exam; accurately counts heart, pulse rate, capillary refill time, mucous membranes, temperature, respiratory rate and effort.
- Understand normal vital parameters and alerts doctor when abnormal.
- Able to set up intravenous fluids.
- Administer subcutaneous fluids.
- Can operate all brands of intravenous fluid pumps and can troubleshoot errors.
- Able to disconnect and connect patient from intravenous fluids aseptically.
- Ability to monitor patient response to fluid therapy including signs of overload.

Who are we?

BluePearl Veterinary Partners grew from the dreams of numerous veterinarians who believed pets should have access to high quality, groundbreaking healthcare.

We are seeking hospital support with the same philosophy who are looking to grow their career in an exciting environment with a family atmosphere.

Your success is our success.

At BluePearl, the continued education of our techs is paramount. Not only do our techs get to work in state of the art facilities with the best veterinary teams in the nation, but they also have access 90% paid scholarships with Penn Foster and CE allowances. We also go even further to hold monthly CE meetings, associate feedback sessions, and opportunities for mentorship and cross-training.

Additional Benefits:

- health benefits options
- competitive compensation
- flexible hours

- scrub allowance
- opportunity to bring your dog to work
- additional training
- unlimited growth potential
