

Anesthesia Technician

MedVet Medical & Cancer Centers for Pets is currently seeking Anesthesia Technicians to join our teams. We are seeking an individual that is team oriented and has excellent communication skills with fellow colleagues, clients and the referral community. The ideal candidate thrives in a fast paced environment and are dedicated to practicing the highest quality of veterinary care. The recruited candidate will be responsible for providing strong clinical and administrative support to the department. The individual is responsible for ensuring clients, patients and referral partners receive quality care. The position provides an opportunity to work with board certified specialists and the ability to learn about cutting-edge medicine.

About MedVet Medical & Cancer Centers for Pets:

Founded in 1988, MedVet is one of the largest veterinarian-owned multispecialty and emergency practices in the country. Three of MedVet's Ohio medical centers (Columbus, Cincinnati & Dayton) were the first AAHA Accredited Specialty Referral hospitals in the state of Ohio. MedVet Columbus was named the AAHA Accredited Referral Practice of the Year for 2014.

The MedVet team provides expert specialized care in areas including anesthesiology, cardiology, dermatology, emergency and critical care, integrative medicine, internal medicine, interventional radiology, medical oncology, neurology, ophthalmology, radiation oncology, radiology, rehabilitative services, and surgical services.

Responsibilities:

- Ability to drive the service and client service process.
- Ability to prioritize caseload and patient care.
- Ensure patients receive quality care.
- Ensure documentation is accurate and complete.
- Plan, organize, and manage the daily flow of services.
- Assist in procedures: preparation of patients, instruments equipment and medications.
- Anesthesia: induction and monitoring.

Qualifications:

- Excellent verbal and written communication skills.
- Excellent client service skills and phone etiquette.
- Ability to inspire, teach, multitask and be a highly functional team member.
- Self-motivated.
- Attention to detail.
- Work successfully as a team member and autonomously.
- Sense of urgency.
- Critical thinking skills.
- Effective patient restraint.
- Proficient in calculations (drugs, constant rate infusions, unit conversions, etc.).
- Flexibility with work hours and able to work additional hours when necessary.
- Ability to work efficiently in a fast-paced environment.
- RVT, CVT or LVT with current license required.
- VTS – Anesthesia preferred.

Shift: The position is full time. Specific work hours to be determined based on assignment and needs of the departments. Rotating weekend and on-call hours required.

Full benefits package, including medical, dental, vision, short-term and long term disability, life insurance, 401K, PTO, uniform allowance, continuing education and pet care discounts are available.

With practices in Ohio, Kentucky, Louisiana, Alabama and Indiana. MedVet is one of the most dynamic specialty practices in veterinary medicine.
