

Position: Large Animal and Small Animal Anesthesia Technician – 2k sign on bonus after 6 months of employment

Description: This is either a 35 or 40 hour per week position. Hours are between 7:30 am – 6:30 pm depending on the number of hours per week that are chosen. It is a four-day rotating schedule, rotating on call during the week and weekends. We are looking for someone with large animal experience but is also willing to participate during the day in small animal twice a week.

Pay structure: Individual will be paid on a weekly basis for hours worked and receive additional compensation for on call coverage and cases

Tufts Anesthesia Department: We are currently hiring for a veterinary technician to be an intrinsic member of our anesthesia department providing excellence in care to our large animal hospital. Working in the large animal hospital is simply awesome. The service has over 30 years of experience in training people to perform anesthesia. We work with three board certified anesthesiologists and looking to add more! We have a diverse case load that involves horses, goats, and sheep. If you are seeking a position which recognizes growth, learning, and values your contributions – you have found it. We also have a unique opportunity to teach and work with veterinary students in their final year of school, directly influencing their growth and preparation for going out into practice.

About Tufts: The Cummings School of Veterinary Medicine at Tufts University provides 24-hour care for pets 365 days of the year. Since 1985, we have offered high quality medical care, consultation, referral and emergency veterinary services for the care of dogs, cats and exotic pets on a beautiful New England Campus.

Some of the perks of working here include flexible schedules, shift and on-call differentials, access to numerous CE resources and a CE allowance, Medical/Dental/Vision, retirement options, generous paid vacation, vacation and sick time and holidays, tuition reimbursement, pet care benefits and much more!
