

Companion Animal Dentistry of Kansas City in Lenexa, KS is moving to Overland Park, KS! Companion Animal Dentistry is an established, privately-owned, small animal dentistry specialty hospital with a growing clientele. We are a friendly, passionate group; we love what we do, and it shows in how we approach our clients, patients, and each other.

Our goal is to find additional Registered Veterinary Technicians to join our team. We are looking for someone with great people skills and a commitment to providing the best possible care and service to pets and their people. This career opportunity requires an exceptionally positive, motivated individual with high personal standards to contribute to our specialty team in promoting dental education. We are searching for an individual that can influence and support staff members and provide superior nursing care for our patients.

We provide advanced, customized care for our patients, including specialized surgical procedures, and the latest medical technologies. Our doctors and staff are a collaborative, cohesive team, and our environment is supportive of each individual's contribution. You are valued!

Companion Animal Dentistry is committed to providing our employees with opportunities for growth in their career. Our technicians are utilized to their fullest and are encouraged to be an integral part of all aspects of patient care. Our practice provides on-the-job training in the dental specialty field.

As a technician at Companion Animal Dentistry, some responsibilities include, but are not limited to:

- Primary patient care with knowledge in pre-operative and post-operative care.
- Monitoring anesthesia of geriatric, pediatric, and exotic patients.
- Assisting with oral surgery and advanced dental procedures.
- Performing medical admissions and discharges.
- Performing proper equipment and instrument care.

This position is for a full-time employee. We provide excellent benefits, including health, vision, matching 401K, paid time off, holiday pay, bonus pay, sign-on bonus, scrubs, CE allowance, and more. Salary will commensurate with experience.

Please submit a cover letter and resume. Applications will not be reviewed without a cover letter. For more information about Companion Animal Dentistry, please visit our website at [www.kcpetdental.com](http://www.kcpetdental.com).
