

Brazos Valley Equine Hospitals

Brazos Valley Equine Hospitals – Navasota is seeking applications for a Surgical and Anesthesia Technician position. This position will rotate between running anesthesia and assisting the surgeon in surgical procedures. This position will support a rapidly increasing surgical, general practice, referral, and sports medicine caseload of English Sport, Western Performance and recreational horses.

Brazos Valley Equine Hospitals is a premier group of equine practices with multiple locations in Texas. We are a busy, interactive practice with over 70+ team members and we believe in our ability to help people through the care of horses. We provide veterinary care for a large variety of disciplines, but the majority is split between western performance horses and English sport horses.

BVEH Core Values are the values to which we aspire. We use them to articulate and enforce the culture of Brazos Valley Equine Hospital. Today we will:

1. Cause a positive influence
2. Invest in the success of our people
3. Create an environment for development and growth
4. Communicate with clarity and respect

BVEH Mission Statement:

Our mission is to provide our staff, clients, and patients with the support and services needed to achieve success. We represent a culture that encourages everyone to reach their maximum potential through veterinary medicine. As highly qualified professionals, we are passionate about horses' health and we vow to provide the highest quality treatment possible, from conception through retirement

Job Requirements:

- Ability to run pre-operative blood work
- Ability to run anesthesia and monitor oxygen/nitrogen levels
- Able to formulate anesthesia plans and calculate drug doses
- Able to maintain anesthesia invoices and records
- Ability to prepare surgery room and patients
- Experience assisting a surgeon during procedures
- Experience with patient restraint and handling horses

Applicants must possess a steady personality, a sense of humor, good time management skills, work well in a collaborative environment and can relate well and build relationships with our clients. If you are interested in being part of our team, please contact Rachel MacDonald at rachel.macdonald@bveh.com or call 936-825-2197 for additional details.
