**Why work at Veterinary Specialty Center of Seattle?**

The Veterinary Specialty Center of Seattle (VSCS) is a 24-hour Emergency and Critical Care and Specialty hospital. We offer a collaborative approach to veterinary medicine. We support Emergency and Critical Care, Neurology, Surgery, Internal Medicine, Cardiology, Oncology and Radiology, all in one hospital. We pride ourselves on providing compassionate medical care and exceptional client service.

The Seattle area offers many opportunities for nature lovers, outdoor enthusiasts and city dwellers. A part of the Pacific Northwest, the area offers hiking, kayaking, nature walks, and beaches in the summer. Skiing, snowshoeing, and other winter sports are popular when the winter season hits. The Seattle area also boasts some of the best culinary experiences in the country. You can find top-notch theater, ballet, opera, and an ever-growing music scene. With year-round festivals, fairs and concert venues, there is always something to do.

We invest heavily in our employees with many opportunities for growth and development! We offer outstanding benefits including medical, dental, vision, and life insurance, paid time off, continuing education, generous pet discounts and much more!

**Additional Skills:**

- Provides excellent patient care and customer service
- Is comfortable working with computer software to complete patient records and treatment;
- Knowledge of EzyVet and SmartFlow a plus!

**Be Heard:**

At VSC of Seattle, we listen to our teammates. Team members have the option to join committees to share their voice.

Current committees include:

- Building Improvement Committee
- Adverse Events Committee
- Training Committee
- Buddy Program (help mentor/support our new team members)

### **Looking to get your VTS?**

We can help! VSC of Seattle can help you build a relationship with one of our board-certified specialists who will mentor you throughout the learning process. You will be able to attend Intern focused in-hospital seminars, and we will even help with the financial aspect of obtaining your VTS. Once obtained, you will receive a generous pay increase & the opportunity to share your valuable skills with the hospital and our referral partners.

### **Advanced Training:**

- Generous annual continuing education allowance for LVTs.
- Weekly DVM intern rounds open to all team members. Bi-monthly Intern DVM presentations open to all team members.
- An in-house anesthesia training program with a VTS in Anesthesia.
- An in-house Recover CPR training and certification.
- Monthly referral partner continuing education.
- Potential growth into a leadership role.

Dedicated to gold standard veterinary care and want to learn grow, Join our team!

**Apply Today! We look forward to meeting you!**
