Monitoring hospitalized patients
Dispensing medications as directed by veterinarians
Assisting doctors in exam rooms
Assisting with surgical procedures

Triage emergent patients

Client communications

Ideal candidate:

- Must have Washington State Veterinary Technician license or be eligible
- Has strong client service skills

- Is proficient with animal handling & restraint
- Has a positive "can do" attitude
- Is able to work well on a team and is self-directed
- Is compassionate, motivated and dedicated
- Has strong problem-solving abilities (judgment, logic, creativity, conflict resolution).
- Has at least one year of emergency or critical care experience

Why work at Redmond-Kirkland Animal Hospital?

Redmond-Kirkland Animal Hospital opened in June of 2010 and provides quality veterinary care for your pets through a combination of state of the art diagnostics, and a veterinary staff that is professional and committed to the highest medical standards. We are currently expanding our clinic to include a brand-new urgent care facility and are looking for exceptional individuals to join our team. Our vet practice includes dogs and cats.

We invest heavily in our employees' long-term growth and happiness. We offer wonderful benefit packages including health, vision, dental, life, matching 401k, paid time off as well as pet benefits! **For more information see our website: <https://redmondkirklandveterinary.com/>**
