**Why work at Care Animal Regional Emergency Clinic of Spartanburg?**

Care Animal Regional Emergency Clinic of Spartanburg is a full-service animal emergency hospital taking care of both veterinary emergency cases as well as your pet's urgent medical and surgical needs. Our veterinary emergency clinic serves Spartanburg, Greenville, Upstate South Carolina, and

the Foothills of North Carolina. Our veterinarians, Dr. Chappell, Hughston, and Dr. Mornane, are licensed & experienced in all types of veterinary emergency conditions and pet medical treatments. Our on-site lab facilities include digital radiography and allow us to perform complete in-house diagnostics. We offer telemedicine sessions with Board Certified cardiologists and radiologists should your pet's medical condition warrant a specialist consultation.

**We invest heavily in our employees with many opportunities for growth and development! We offer outstanding benefits including medical, dental, and vision insurance, life insurance, paid time off, continuing education, generous pet discounts, and much more!**
