Meridian Veterinary Services is a start up, independently owned, integrative clinic in Silver Spring, MD. Located right off the Beltway, we serve the greater Washington, DC area. At our clinic you will enjoy working with appreciative, holistic minded clientele. We are looking to add a full-time credentialed CVT/LVT/RVT. This position is a pivotal role for our team.

Our employees are essential in the development and success for our hospital. Check out our website: www.meridianpet.com. We are cultivating a positive and friendly environment and we want you to be part of that!

We are looking for someone with at least 2 years of leadership experience. We are searching for an individual who has great organizational skills, compassion, ability to multitask, great communication skills, and a positive attitude.

Duties will include:

- Serving as liaison between doctors, staff, and clients
- Directing, mentoring, and assisting support staff
- Preparing, monitoring, and recovering surgical patients
- Serving as anesthetist during procedures
- Answering communications relating to pet care
- Designing or modifying protocols, checklists, policies, and SOPs for the support staff
- Administering medications and performing certain treatment and laboratory procedures as requested by the doctor
- Radiology
- Performing certain dental procedures

- Managing compliance with federal and state animal health laws and regulations including OSHA
- Entering and maintaining patient records
- Managing and assisting with inventory orders
- Maintain medical equipment and maintenance logs

We are searching for an individual who has great organizational skills, compassion, ability to multitask, great communication skills, and a positive attitude.

Be part of a team that has an exciting approach of holistic care for our clients' beloved pets.
