## Section D

A **maximum of 15 points** may come from this section by **reading articles** on subjects related to the practice of anesthesia or peri-operative analgesia and from **attending in-house training** in the practice of anesthesia or peri-operative analgesia.

1. **0.25 points** per article read related to the practice of anesthesia or peri-operative analgesia to a maximum of 5 points. (20 articles)
  - a. Articles must be submitted in a word document detailing their title, author, and publication information.
2. **1 point** per hour of **in-house training** in the practice of anesthesia or peri-operative analgesia presented by an AVTAA approved presenter; or presented by you.
  - a. In house CE: This includes CE you presented or you attended by an AVTAA approved speaker outside a local, state or nationally recognized conference.

### In-House CE

Date	Talk	Speaker/yourself	Length	Points
------	------	------------------	--------	--------
