We Currently have TWO Voting Polls right NOW. As of today we have a bout 26% of the membership that has submitted the ballots for a logo rebranding and most importantly the next set of Board of regent members. Please take a moment to cast your vote in favor of a new logo or preference for our current one.... The poll for this is on the [Website](#) under members only. Polls close September 10th.

The BOR Election is via [Election Buddy](#) and you should have received an email. Several of the members have opened the email, and not yet voted, but we still only have about 26 percent of the Academy voting. Polls close September 18th. When you vote, you will receive a confirmation email. If you do not have a voting email, please check your SPAM folder under AVTAA. Contact me for any questions...sagerj@ufl.edu

WELLNESS

Life sucks.

It's BUSY. I had a client wait four hours in the ER for a hotspot.

Some of us have been isolated for WEEKS....

There are not enough people, and the hours do not end.

Some days it's hard to put on pants.

Our patients and clients sometimes make us question life decisions.

In all sincerity, take a time out...take a moment...reach out...go for a walk. Enjoy the silence and equally enjoy the chaos.

Mental Health Monday should be Mental Health Everyday....
